HERITAGE LINCOLNSHIRE

Contemporary Art

at Sleaford's Cogglesford Watermill & Moulton Windmill

Celebrating the 25th anniversary of Lincolnshire's Heritage Open Days, artists Mark Steadman and Graham Elstone have been commissioned to create exciting, site-specific artworks for the beautiful heritage mills in Sleaford and Moulton. Don't miss it! The artworks will only be on show during the Heritage Open Days weekends!

Join us

in celebrating the festival's 25th year and discover Lincolnshire's rich heritage whilst exploring for free from **Thursday 6th to Sunday 9th September**, and **Thursday 13th to Sunday 16th September**.

In 2018, Heritage Open Days will be operating across not one, but two amazing weekends, delivering what is sure to be a fantastic festival, with over 170 events across the county of Lincolnshire.

Organised for the county by Heritage Lincolnshire and the Lincolnshire Heritage Open Days Steering Group since 1994, the festival celebrates both Lincolnshire's best loved treasures and its hidden gems. There are events and activities for all ages and interests, from children's trails and musical performances, to expert-led guided tours and temporary exhibitions.

This year our theme is 'Picturing the Past' celebrating Lincolnshire's rich heritage through the medium of art, photography, design and more.

On behalf of everyone involved with Lincolnshire Heritage Open Days we wish you two exciting and enjoyable long weekends!

Acknowledgements

Heritage Lincolnshire would like to thank members of the Lincolnshire Heritage Open Days Steering Group, which is made up of representatives from various county organisations and volunteers with an in-depth knowledge of Lincolnshire's rich and fascinating past. We are also indebted to our own volunteers, especially the tireless contribution of our volunteer HOD co-ordinator.

The festival could not happen without the passion and participation of hundreds of volunteers and staff from historic sites, museums and community groups who generously give their time to share the local spaces, places and stories that matter to them. Their dedication enables thousands of people from across the county and beyond to explore and discover Lincolnshire's special character.

This brochure is compiled by Heritage Lincolnshire's in-house graphic designer and we are grateful for her talent in interpreting the theme of the event each year.
