

How to make Heritage Lincolnshire your community champion

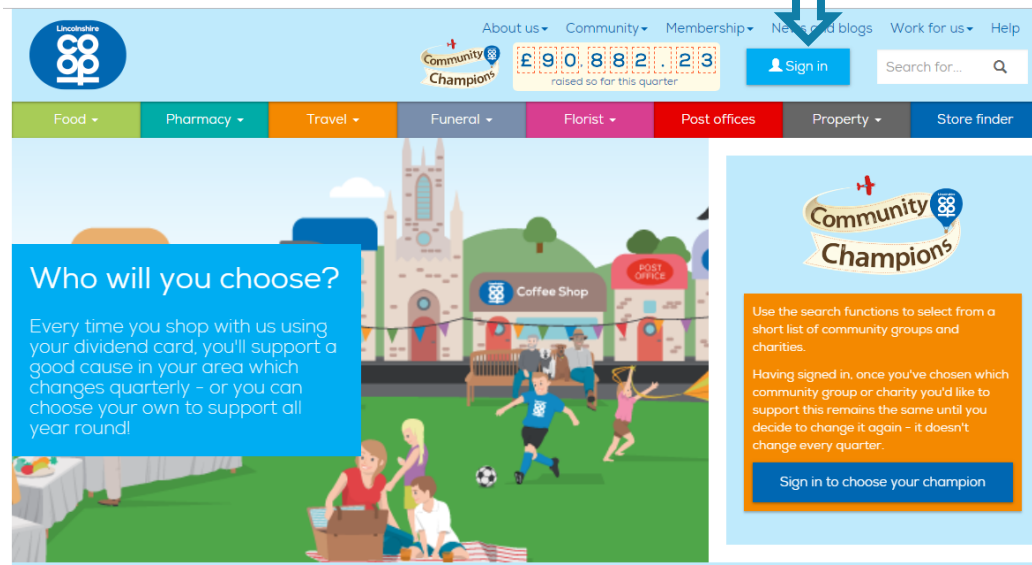

Buying your milk, lunch or weekly shop at the Lincolnshire Co-op can now raise funds for Heritage Lincolnshire as we are registered as one of their Community Champions

It takes 2 minutes - go to this link and search for Heritage Lincolnshire and click to support us - all you need is your Lincolnshire Co-op membership card/number

1. Follow this link:

<https://www.lincolnshire.coop/community/community-champions/choose-your-champion>

which will take you to this home page. Select the sign in option:

Who will you choose?

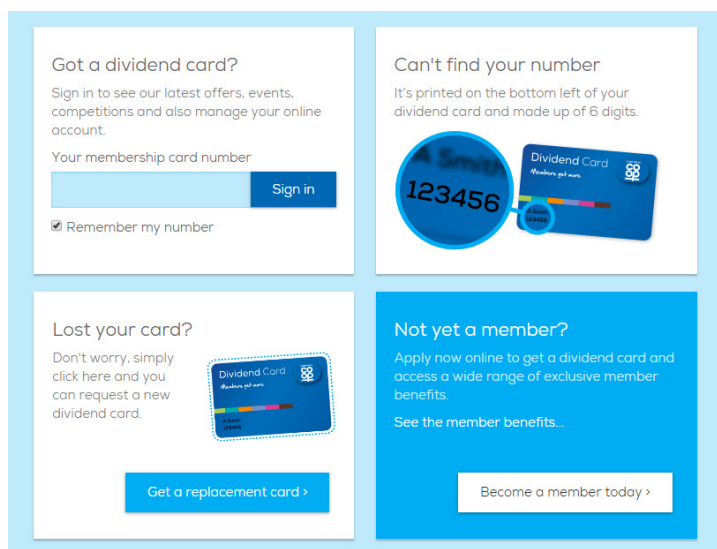

Every time you shop with us using your dividend card, you'll support a good cause in your area which changes quarterly - or you can choose your own to support all year round!

Use the search functions to select from a short list of community groups and charities.

Having signed in, once you've chosen which community group or charity you'd like to support this remains the same until you decide to change it again - it doesn't change every quarter.

Sign in to choose your champion

2. Sign in using the number on your card:
