Lincolnshire
Heritage Open Days
7th-10th September 2017

Free events for all ages

Freedom, Justice, Equality
Discover Lincolnshire’s rich heritage and explore for free between Thursday 7th and Sunday 10th September.

Welcome to your guide to Heritage Open Days 2017 organised by Heritage Lincolnshire. Each year the festival celebrates both the county’s best loved treasures and hidden gems. We do this by providing access to special places not normally open to the public or offering free access to attractions that usually charge a fee. There are events and activities for all ages and interests, from children’s trails, bus rides and musical performances, to expert-led guided tours and temporary exhibitions.

Heritage Open Days is England’s biggest voluntary cultural event, and here in Lincolnshire last year over 600 volunteers welcomed more than 20,000 visitors. Since we started the festival back in 1994, Heritage Lincolnshire has worked with volunteers and staff at historic sites to create an exciting programme of events that changes every year. We’re really proud that the festival here in Lincolnshire is now one of the biggest and best attended outside of London.

This year our festival theme is ‘Freedom, Justice & Equality’ to mark the 800th anniversary of the Charter of the Forrest, a copy of which is held alongside Magna Carta at Lincoln Castle. This lesser known charter restored the historic rights and freedoms of common people to gather fuel, food and graze their animals in royal forests across the kingdom. So look out for events celebrating hard won freedoms, historic crimes and cruel punishments that are marked with the scales of justice symbol.

We’re also pleased to welcome churches across the historic Parts of Holland who have launched the Holland Places of Worship Festival with lots of events as part of this year’s programme.

On behalf of everyone involved with Lincolnshire Heritage Open Days we wish you an exciting and enjoyable long weekend! You can share your stories and photos with us online where we are @HeritageLincs and by using #LincsHODs.

Enquiries Visit our website heritagelincolnshire.org for full details of all events, including any last minute additions or alterations. If you have any questions please call Heritage Lincolnshire on 01529 461499. Our offices will be closed on the Saturday and Sunday of the festival.

Booking Please note that some events have limited places and require booking in advance. Not all events and properties take place over all four days, so check dates and times before you travel.

Places for some events are limited and we advise you to book as soon as possible to avoid disappointment. How to book, where necessary, is listed under each event. For events where Heritage Lincolnshire co-ordinates bookings these can be made Monday-Friday from 8.45-5.15 until Friday 1st September. This is to enable us to pass on details of bookings to event organisers before the festival begins. Earlier or later deadlines may apply where event organisers take bookings directly. We ask that you do not attend a booked event if you have not pre-booked.

Heritage Open Days 2017 - Thursday 7 to Sunday 10 September
Acknowledgements

Heritage Lincolnshire co-ordinates Heritage Open Days across the whole historic county of Lincolnshire. The charity also compiles this comprehensive programme of events, which is designed by our in-house graphic designer.

The festival could not happen without the passion and participation of hundreds of volunteers and staff from historic sites, museums and community groups who generously give their time to share the local spaces, places and stories that matter to them. Their dedication enables thousands of people from across and beyond the county to discover the rich and diverse heritage that makes Lincolnshire special.

In particular Heritage Lincolnshire would like to thank members of the Lincolnshire Heritage Open Days Steering Group, which is made up of representatives from various county organisations. We are also indebted to our own volunteers, especially the tireless contribution of our volunteer HOD co-ordinator.

For their support and assistance in organising Lincolnshire Heritage Open Days we wish to thank National Trust Historic England Players of the People’s Postcode Lottery Lincolnshire Heritage Open Days Steering Group

For their continued financial support and co-operation we are grateful to
Boston Borough Council East Lindsey District Council Lincoln City Council Lincolnshire County Council North East Lincolnshire Council North Lincolnshire Council North Kesteven District Council South Holland District Council South Kesteven District Council West Lindsey District Council

Heritage Lincolnshire also thanks its members, supporters and partners that fund the charity’s work.
